

Sixth Form Introduction

To

Broadway Certificate of Muslim and Christian Theology

Are you from a Muslim or a Christian background wanting to explore further issues about faith?

Are you from a Muslim or Christian background wanting to understand about the other faith?

Do you want to experience a placement in a faith based setting?

Do you want these to count towards some credentials for university entry?

Do you fancy a fully funded visit to the Holy Land as part of the course?

If the answer is **YES**, we at Broadway Academy have a special new course just for you.

Starting in September 2019, this exciting course will contain the following strands:

1. An explanation of Muslim faith and practise and how those from a Christian background can understand it better.
2. An explanation of Christian faith and practise and how those from a Muslim background can understand it better.

Students will either take Strand 1 or Strand 2.

3. A practical project in a faith based setting.
4. A written project of 5000 words of one aspect of the course.

The course is suitable for A' Level and Vocational students.

If this interests you, further details and course information can be obtained from:
